FOR 50 KEYS OR 30 CARDS

In our KeyGarage™ 787 BIG key box you can temporarily store keys, plastic cards or items such as USB sticks.

Hiding keys under the doormat or flowerpot is so yesterday! With a KeyGarage™ your keys are safely stored and protected from the weather. The strong sheet steel housing protects keys, plastic cards and smaller objects such as USB sticks from unauthorised access. The KeyGarage™ also offers a simple and safe solution for exchanging keys or access cards. All you need to do is pass on your personal number code to authorised individuals. If the group of people changes, the code can be easily changed. It offers space for up to 50 keys, 30 plastic cards or entire bunches of keys. An additional convenience are removable hooks for fixing individual keys. Access is via a four-digit number code set using adjustment wheels. The ABUS KeyGarage™ 787 BIG is suitable for wall mounting in protected outdoor areas.
