Viantor QUIN velvet black M

INTELLIQUIN SMART SYSTEM

This ABUS Quin helmet provides a first-of-its-kind safety system with a holistic approach. Whether you have crash or need to stay on-the-move, this helmet has safety protocols that are there for you when you need them.

The fully integrated Q-Sensor is a ground-breaking addition to ABUS helmets that is capable of detecting when you're in danger. The Q-Sensor employs a complex algorithm measuring factors like impact, changes in velocity, concussion threshold, rotational and a linear inertial changes and more. The ABUS Quin helmet alerts your emergency contacts of your situation and location so they can coordinate assistance.

Technologies

- Multi Shell In-Mold for durable bonding of multi-part outer shell and shock-absorbing helmet material (EPS)
- Ponytail compatibility: Helmet well suited for braided hairstyles
- Good ventilation with 4 air inlets and 14 air outlets connected with flow channels
- Semi-enclosing plastic ring connected to the adjustment system for optimum stability and form-fitness
- ActiCage: Structural reinforcement integrated in the EPS to optimise stability
- Zoom Ace: Fine-adjustable adjustment system with non-slip adjustment wheel for individual fit
- Smart Quin technology: The ABUS Quin helmet measures factors like impact and concussion threshold and alerts your emergency contacts of your situation and location.

Tips

- The helmet is a high-quality and light beginner helmet in which ABUS has used many proven technologies from the professional sport

Viantor QUIN velvet black M

Technical data - Viantor QUIN velvet black M

Head size	54-58 cm
Peak	No
Size	M
Smart - Crash Detection	Yes
Visor	No
Weight	280 g
backlight	No
color of facets	black, grey
design color	velvet black
EAN	4003318884948
