

FOR ENTRY-LEVEL AND CHILDREN'S BICYCLES

This combination lock serves to protect against the risk of theft. That way you can make it difficult for bicycle thieves.

The Star 4508C Spiral Cable Lock offers an inexpensive way to protect your bicycle from rapid theft. Don't make it too easy for thieves and secure your entry-level bicycle or a children's bicycle with an ABUS bicycle lock. The Spiral Cable Lock Star 4508C has an 8 mm thick and high-quality spiral cable. You can freely select and set the three-digit numerical code. The plastic coating, available in several colours, also offers good protection against paint damage to the bike.

Technologies

- 5/16" thick, high-quality and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork
- Dark-touch function facilitates use in the dark thanks to special imprinting
- Individually configurable code

Usage

- Good protection at low theft risk
- Recommended for securing entry-level and children's bikes

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
 - The combination lock is great for use by several people
-
