## NEVER COMPROMISE

The StormChaser offers the right performance for any racing discipline:

road, cross, XC, and gravel. The helmet is the perfect balance of lightweight, protection, and ventilation, due to our ActiCage, a structural reinforcement built into the EPS.

## Technologies

- In-Mold: Lightweight, durable helmet with a long-lasting combination of EPS core and Polycarbonate shell
- ZoomAce retention system is ponytail compatible
- Half-ring: Adjustable ring connected to adjustment system enclosing half of the head
- Excellent ventilation with 7 air inlets and 16 air outlets
- Forced Air Cooling: Innovative ventilation system with air channels built into the EPS
- High visibility: High visibility due to reflectors
- Zoom Ace: Easily adjustable retention system featuring handy adjustment wheel and height adjustment
- AirPort sunglasses holder
