

Viantor gleam silver M

PRO LEVEL FEATURES

The Viantor is a lightweight, well-ventilated helmet that includes many of the features found on our pro level helmets.

For maximum safety, the Viantor has the ActiCage structural reinforcement integrated in the EPS, providing additional strength while ensuring optimal ventilation and extreme comfort. The ZoomAce retention system is ponytail compatible making it the perfect choice for riders with long hair.

Technologies

- Multi Shell In-Mold for durable bonding of multi-part outer shell and shock-absorbing helmet material (EPS)
- Ponytail compatibility: Helmet well suited for braided hairstyles
- Good ventilation with 4 air inlets and 14 air outlets connected with flow channels
- Semi-enclosing plastic ring connected to the adjustment system for optimum stability and form-fitness
- ActiCage: Structural reinforcement integrated in the EPS to optimise stability
- Zoom Ace: Fine-adjustable adjustment system with non-slip adjustment wheel for individual fit

Tips

- The helmet is a high-quality and light beginner helmet in which ABUS has used many proven technologies from the professional sport
