

770A/160HB300 black SmartX™

Technologies

- 33/64" hardened square shaft parabolic shackle
- SmartX™ locking system with Bluetooth – high-quality, keyless locking offers user-friendly operation
- Alarm function with at least 100 dB for 15 seconds followed by automatic reactivation
- 3D Position Detection – detects vibrations and the smallest movement in all three dimensions and triggers the alarm
- Smart alarm – the lock only emits a small warning beep in the event of minor and brief vibrations, e.g. if a football bounces nearby
- USB-C port
- App connection
- Location storage of the bike's last parking location
- ABUS power cell technology offers the highest level of protection against impacts and attempts to break open the lock
- The shackle, the housing and the locking mechanism's load-bearing parts are manufactured from specially hardened steel
