

GRANIT™ Quick 37/60HB50 Mini Pro yellow

FLEXIBLE WATCHDOG

The GRANIT™ Quick 37/60 Maxi + Mini secures your bike with the smallest dimensions imaginable - after all, your storage space is limited.

It's amazing what you can fit securely into the GRANIT™ Quick 37/60 Maxi + Mini, especially the mini version: 11mm hardened steel shackle, double shackle locking, ABUS Plus cylinder with tamper protection. All built in proven ABUS quality.

Thanks to the rubber inlays on the side, the GRANIT™ Quick 37/60 Maxi + Mini fit comfortably in your hand, despite their small size. And the Memory Clip prevents you from driving away before removing the GRANIT™ Quick 37/60 Maxi + Mini from your brake disc.

Technologies

- 7/16" padlock with shackle protection (33/64" with the Pro version)
- Double-locking mechanism securing the shackle in the lock body
- The shackle, the sleeves in the cover, the lock body and the structural parts of the locking mechanism are manufactured using specially hardened steel
- Excellent grip thanks to the rubber inlays on the side
- ABUS Plus cylinder for exceptionally high levels of protection against manipulation attempts such as picking
- Two keys are included in the scope of delivery
- ABUS Code Card for additional and replacement keys
- A Memory Clip to prevent you from accidentally pulling away with the motorbike still locked is included

GRANIT™ Quick 37/60HB50 Mini Pro yellow

Use and application

- Great protection where there is a medium risk of theft
- Recommended for attended car parks or short stays

Tips

- You can order a keyed alike system of several (not all) different lock types. All locks of this keyed alike system can be open by the same key.
- To increase security during longer parking times, you should lock your motorbike to a fixed object with an additional lock
- This lock is also available in a shorter "Mini" version
