

Platinum Chain 34CS/55 10KS 110 black

Technologies

- Hardened 25/64" square chain and a high quality ABUS padlock provide all-round security
- Lock with hardened shackle and housing as well as extra shackle protection
- Proven ABUS pin cylinder, with hardened steel providing all-round anti-drill protection
- The chain, the shackle, the padlock body as well as supporting elements of the locking mechanism are made of special hardened steel
- 25/64" strong chain with fabric sleeve to prevent damage to the motorbike's paintwork
- Two keys are supplied with the lock
- Double bolted 7/16" shackle in the lock body
- Shackle guard protects against attacks with tools

Tips

- Lock-chain combinations are a good solution for attaching motorbikes to fixed objects
- To limit the possibility of brutal attempts to smash the chain, it is best not to place it on or near the ground
