

20 KEYS OR 17 CREDIT CARDS

Discover the KeyGarage™ 767, featuring an individually adjustable numerical code, ideal for the secure storage of keys and cards.

Say goodbye to scattered keys with our KeyGarage™ 767 - a convenient and highly secure solution for centralizing your keys and cards. Its robust metal housing can accommodate up to 20 keys and 17 cards, all of which are protected by a numeric code lock, ensuring that only authorized individuals have access.

This feature is especially valuable when dealing with regularly changing groups of people, such as handymen, vacationers, vehicle renters, caregivers, and more. The touchpad, complete with push buttons, is shielded by a robust locking flap, guaranteeing added security. For outdoor use in protected areas, you can easily mount the KeyGarage™ 767 on a wall.

Technologies

- Solid metal housing
- Locking cover made from zinc die-cast
- Code up to 10 digits individually resettable (the sequence of the code is irrelevant)
- Code needs to be entered in order to close the locking cover
- Plastic cover to protect against dust, dirt, etc.
- For wall fixing with screws
- Holds up to 17 cards or 20 keys
- Outer dimensions of housing: 84 x 119 x 47

767 wall mounting
