

BORDO Combo™ Lite 6150/85 white

Page 1 of 1

Technologies

- Special steel design, with colour-coordinated plastic casing to prevent damage to paintwork
- The bars and housing are manufactured using particularly lightweight materials and steel alloys
- Bars connected with special rivets
- Two-component number reels guarantee long-term readability of the digits
- Individually configurable code

Usage

- Outstanding protection in situations where the risk of theft is low to medium

Tips

- The combination lock is great for use by several people
- BORDO™ family: Perfect combination of durability, flexibility, weight and transport dimensions
