

Millenio 894/85 Phantom EC TexKF

Page 1 of 1

Technologies

- 19/32" thick, high-quality steel cable
- PVC coating prevents damage to the bike's paintwork
- ABUS Extra-Classe cylinder with encoded reversible key
- Two keys are supplied in the scope of delivery

Tips

- You can order this lock keyed alike with other locks which means that one key can fit multiple locks
 - Cable locks are characterised by good flexibility and relatively low weight
-
