

BORDO™ Big 6000/120 black ST

Page 1 of 1

Technologies

- 13/64" thick bars, extra-soft two-component coating to prevent damage to paintwork
- The bars and body are made of specially hardened steel
- Bars are linked with special rivets
- ABUS Plus cylinder for a high level of protection against tampering, e.g. picking

Usage

- Great protection for when there is a medium risk of theft
- Recommended for securing good-quality bicycles

Tips

- This lock can be ordered with other keyed-alike locks, all of which are operated using the same key or locking method
- BORDO™ family: Perfect combination of durability, flexibility, weight and transport dimensions
- The length of the lock (47 1/4") offers the possibility to connect one or more bikes conveniently to fixed objects
