

SECURITY IN HIGH-GLOSS CHROME

The ABUS Prestige Code 160 padlock features an exclusive high-gloss chrome finish for the lock body and a robust hardened steel shackle.

Designed for a wide range of applications, the ABUS 160 combination lock is suitable for securing doors, gates, cabinets, lockers, switchgear, and other valuable items, protecting them from theft or unauthorized access. Its keyless convenience is a standout feature, as users can easily operate it using a numerical code. Depending on the lock's size, the numerical code can be individually configured with either 3 or 4 number wheels, allowing multiple users to access the secured items with ease.

Technologies

- Lock body and shackle in exclusive high-gloss chrome plating
- Shackle made from hardened steel
- Double bolted
- 160/40: individually resettable 3-digit code
- 160/50: individually resettable 4-digit code

Use and application

- Security for assets and objects of medium value or where there is an average risk of theft
- Suitable for securing doors, gates, cupboards, lockers, tool boxes, etc.

Tips

- Ideal with ABUS Hasp No 100
