

# 180IB/50

## Technologies

- Body made of solid forged brass
- Shackle made from stainless steel
- 4-digit, individually resettable code
- Inner components made of non-corrosive materials
- Precision locking mechanism with additional tampering protection

## Usage

- Security for items/goods of medium value or where there is an average risk of theft
- Ideal for severe weather conditions (e.g., in sea and port areas, for securing vehicles and boats in outdoor use)
- For securing doors, gates, lockers, tool boxes, cellar windows, sheds, switch boxes, cupboards, etc.
