

## TexKF Mini

### Usage

- Transport mostly cable, coil cable and Steel-0-Flex locks
- Mounting on round and non-round frame profiles with a diameter of  $53/64'' - 3\ 5/32''$
- Flexible textile sleeve for mounting
- Mounting within the frame or at the side possible
- Simple and time saving mounting

### Tips

- In addition to a lot of locks, this bracket can be used for many of our saddle bags of the ABUS program
