

Smiley Peanuts flying grey S

Technologies

- In-Mold for a robust and surrounding connection of the outer shell and the shock absorbing helmet material (EPS)
- Extended foam visor for maximum face protection
- Deep temple and neck protection
- Zoom - precise adjustment system with light and compact wheel
- Good ventilation with 8 air inlets
- High passive safety thanks to huge and very intense reflectors
- Soft touch straps easy to adjust by practical sliders
- Size adjustment via full ring made of robust and flexible plastic for ideal stability and adaptability
- Integrated fly net

Usage

- Baby helmet for everyday use

Tips

- This helmet was developed and especially designed for children
 - Special winter kit and rain cap available as accessories
 - Dedicated toddler size helmet (S 45 cm)
 - Flat rear side allows perfect fit in child seats or trailers
-
