

# BORDO GRANIT Plus™ 6405/85 black SH

Page 1 of 1

## Technologies

- 7/32" steel bars with extra soft 2-components coating to prevent damage to the bicycle's paintwork
- Color-matching silicone cover for the lock body with "soft touch" properties
- ABUS Link-Protection-Shield offers high saw protection of the links
- The bars, the links, the case as well as supporting elements of the locking system are made of special hardened steel
- ABUS Plus cylinder for high protection against manipulations, e.g. picking

## Usage

- Very good protection at high theft risk
- Recommended for securing high quality bicycles

## Tips

- This lock can be ordered with other keyed-alike locks, all of which are operated using the same key or locking method
- Bordo family: Ideal combination of resistibility, flexibility, weight and transport size
